

Yellow Submarine

all you need to know about... the Sandwich Run!

What is it?

The Sandwich Run is a key part of our work experience programme, in which two of our members go out and about selling café sandwiches to businesses around Oxford, supported by a volunteer.

What will I be doing?

You'll be driving our minibus around Oxford, supporting our members to practice customer service, money handling, communication, and selling sandwiches from our social enterprise cafes. You'll be helping our members try out new skills, and, of course, have fun!

What & where?

A typical session:

10.00 arrive and have a pre-brief (find out what you're doing that day). Pack the van for the trip.

1030 Set off with two members in the minibus!

1030-1200 Travel to local businesses selling sandwiches, following a set route.

1200 –1230 Head back to Yellow Submarine

1230-1300 Unpack and de-brief (making sure everything went ok!)

What are the Perks?

- A fun and supportive environment
- A chance to take the lead on delivering an activity
- As many smiles as you can make
